Performance Index

Product Name	Trueno U7000 Soundbar
Audio interface	Bluetooth 3.5mm AUX USB HDMI/ARC Digital optical
Charging interface	AC input
Output power	500W
Rated voltage	AC 110-240V
Bluetooth version	v5.3+EDR
Bluetooth range ¹	10 meters
Battery type & capacity	N/A (wired power cable)
Driver size ²	Soundbar: 58mmx3 Satellite Speakers: 58mmx2 Subwoofer: 165.10mm
Frequency range	40Hz-20KHz
Signal to noise ratio ³	≥ 70dB
Impedance ⁴	3Ω*1 + 8Ω*2 + 8Ω*3
Product dimension	Soundbar: L900×H80×D108mm Satellite Speakers: W75×H180×D108mm Wired Subwoofer: W190×H373×D305mm
Product weight	7.7Kgs

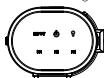

1. The bluetooth range can vary depending on the ambient environment. The range is tested in an outdoor environment with no physical obstacles.
2. Driver size denotes the diameter of the diaphragm.
3. Signal to noise ratio is defined as the ratio of signal power to the noise power, it is represented in decibels.
4. Impedance refers to the load a speaker places on an amplifier. Technically, impedance is the "resistance" a speaker offers to the current supplied by an amplifier because the output current of an amplifier is ac (not dc, like from a battery), this resistance is called impedance.

How to Operate

Please follow the operational guidelines mentioned below.

Powering on

1. Plug the power cable attached with the Trueno U7000 Soundbar into a wall socket.
2. Press the power on/off button on the remote control or soundbar control panel to turn the unit on /off.

Connecting Soundbar to Subwoofer

1. Connect the subwoofer audio cable to SW Output interface on the Trueno U7000 Soundbar.
2. Subwoofer is now paired with the soundbar.

Connecting Satellite Speakers to Soundbar

1. Connect the satellite speakers audio cable to SL and SR Output interface on the Trueno U7000 Soundbar.
2. Satellited speakers are now paired with the soundbar.

Pairing Via Bluetooth

Connecting any bluetooth device

1. Press the **INPUT** button on the control panel of the soundbar or the **INPUT** button on the remote control until bluetooth mode is enabled. Soundbar is now in bluetooth pairing mode.
2. Open the bluetooth settings on any bluetooth device and search for device with name "Trueno U7000" and connect.

Note:

1. "Trueno U7000 Soundbar" will automatically re-pair with the last paired device whenever it is within range.
2. Devices with older bluetooth versions may prompt you to input a passcode key. Please enter "0000" on your device and press OK to successfully connect with "Trueno U7000 Soundbar".

3.5mm Aux Cable Operation

1. Insert the 3.5mm AUX cable into the AUX input.
2. Press the **INPUT** button on the control panel of the soundbar or the **INPUT** button on the remote control until AUX mode is enabled.
3. "Trueno U7000 Soundbar" is ready to play audio/music through AUX mode.

USB Function

Insert a USB Flash drive, the audio/music stored in the USB Flash drive will automatically start playing.

Note:

1. Soundbar is compatible with USB Flash drives up to 64GB in size and supports MP3 and WAV audio format only.
2. The soundbar also has a memory function that will recall and continue from the last-played track whenever a USB Flash drive is reinserted into the soundbar.

HDMI/ARC Operation

1. Connect a compatible device via an HDMI/ARC cable (not provided with the soundbar) to the HDMI/ARC input on the soundbar.
2. Press the **INPUT** button on the control panel of the soundbar or the **INPUT** button on the remote control until HDMI mode is enabled.
3. The soundbar is now ready to use.
4. If connecting to TV directly, please ensure your TV supports HDMI/ARC and please connect to TV using the HDMI/ARC port only on the TV.

Note:

Ensure HDMI/ARC is selected as the TV's audio output.

Digital Optical Operation

1. Connect a compatible device to the digital optical cable (not provided with the soundbar) input on the soundbar.
2. Press the **INPUT** button on the control panel of the soundbar or the **INPUT** button on the remote control until digital optical mode is enabled.
3. The soundbar is now ready to use.

Note:

Ensure optical SPDIF is selected as the TV's audio output.

Equalizer Mode

The soundbar has six equalizer settings i.e., POP, ROCK, JAZZ, CLASSIC, COUNTRY, STD tailored for different music styles. Press the **EQ** button on the remote control to choose the EQ effect.

LED Light Operation

Short press the  button on the control panel of the soundbar to on/off LED light.

Precaution for Use

- Do not use at high volume for any extended period to avoid hearing damage.
- Do not use if there is any loud unusual noise. If this happens, please contact us at support@honeywellconnection.com
- This product contains small parts which may be a choking hazard. Not suitable for children under the age of 3.
- This product contains magnetic material. Consult your physician before using the product in case you have a medical implant of any type.
- Do not attempt to disassemble this product as this may lead to a hazard and will void the warranty.
- Use this product only with the power supply provided along with this product (applicable for selected models only).
- Do not use this product near any form of excessive heat such as gas appliances and heating appliances.
